

## Little Sisters of the Poor Carnival

On **7th December**, students, along with the support of NSS volunteers, participated in the Annual Carnival organised by the Little Sisters of the Poor Old Age Home. The carnival brought together multiple individuals, organisations, and companies, all of whom set up stalls as a collective effort to raise funds for the welfare of the residents of the Old Age Home.

As part of this initiative, a games stall was organised featuring the activity “Hit the Cans”, which received an enthusiastic response from visitors. Participants were rewarded with chocolates, making the stall engaging and enjoyable. The carnival featured a variety of stalls, including food, beverages, clothing, accessories, games, and several other attractions, creating a lively and welcoming atmosphere.

The event provided students with an opportunity to contribute meaningfully while working alongside NSS volunteers and other contributors. It also helped foster values of compassion, social responsibility, and community engagement.

Participation in the annual carnival proved to be a rewarding experience, as the collective efforts directly supported fundraising initiatives for the benefit of the elderly residents of the Old Age Home.
